

Oll Korrekt

Everything started with a question. Kas? ko? kam? ka? kur? kada? kodel? and kaip? were standing in the line and were knocking at my door.
And their cousins, the English 5 W's and the lonely stiff H, were hitch-hiking on the translation bridge composed in the international keyboard layouts.
Oll Korrekt is a personal keyboard layout pretending to be letters.
Oll Korrekt is a novel written through the filter of the letter 'K'.
Oll Korrekt is a novel which extends into display under the cycle of thinging.
Oll Korrekt is a bicycle running through words to words through running bicycle is Oll Korrekt.
Oll Korrekt is a kit of tools for catching its own tail.

Thinging, multi-gazer, primitive augmented reality, abstrakaraoke, politics of rhythm... is all wrong standing next to Rongwrong.

July 5, the exhibition will be activated during The Bible Performance by jugedamos—Jurgis Paškevičius, Geraldine Geffriaud and David Bernstein.
An evening starting at Rongwrong (Binnen Bantammerstraat n.2 - 1011 CK - Amsterdam) at 7.30pm.
The exhibition is open 3 - 7 of July.
Wednesday—Sunday: 2pm—5.30pm.
